FATHER'S DAY 2021

On the third Sunday of June, we observe **Father's Day**. **Father** is a name every earthly father has in common with **God the Father**. To our Heavenly Father all mankind is one large family. **St. Paul** tells us in his lesson that all Fatherhood in heaven and on earth receives its **name and dignity from the Father of our Lord Jesus Christ**.

Respect for fatherhood is founded in nature. The **fourth Commandment** is really a positive expression of a law already written in the heart of man.

The **Church of Christ** has glorified the name of "**Father**" in applying this revered title as a special mark of distinction. The teachers and writers of the Church in her early days have been termed by her "**The Apostolic Fathers**."

The **priests of the Church** are recognized as the **spiritual fathers** of their people, and the whole world respectfully addresses them by the title "**Father**".

Since **fathers reflect the dignity and authority of God** in their home, they must realize at all times that this personal prerogative was not given them for their own enhancement and advantage, but was bestowed upon them for the good of the family. **Is it right for a father to be away from his home without good reason? Is it right for fathers to miss mass on Sundays with their families?**

May God be praised and blessed eternally for the countless numbers of men who are **dedicated and loyal husbands and loving fathers**.

Fathers, live up to your sacred calling. Bring up for God, the Church and Community and our Nation, a dedicated generation of young and ambitious people. **Husbands, love your wives as Christ loves the Church.**

Fathers, make every sacrifice necessary to earn for yourself reverence and respect, and from God, His blessing.

To the fathers of our Holy Church:

A HEARTY GOD BLESS YOU!

LESSONS LEARNED FROM NOAH'S ARK

1. Don't miss the boat.
2. Remember we're all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the ark.
4. Stay fit. When you're 600 years old, someone might ask you to do something big.
5. Don't listen to critics; just get on with the job that needs to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs.
8. Speed isn't always an advantage. The snails were on board with the cheetahs.
9. When you're stressed, float awhile.

Soon, some of you will be at your **camp sites** having and enjoying your evening camp fires. At our parish cemetery there is an **enormous amount** of seasoned downed trees, limbs and branches on our property in the wooded areas for your camp fires. Help yourself! But please be careful in the process.

Our parish directory of those who can assist you with projects is slowly diminishing due to retirements we still have a few who are still on the job:

Car Detailing & Cleaning -Gary Himko 798-9796

DeNinis Construction Excavation, Concrete work - Jack DeNinis - 722-2199

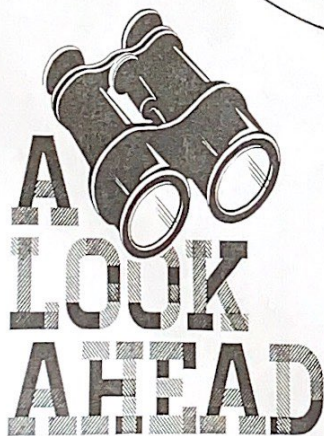

MUSIC MINISTRY

Break forth into joyous song and sing praises! - Psalms 98:4

With the return of some semblance of normalcy, the mass and our choir will be returning to our regular Sunday schedule. **Choir rehearsals** are on **Thursdays at 6:45 PM and have already begun. Rehearsals** will be on **summer hiatus** during **July and August** and will resume on **Thursday, September 2, after the summer break. We are in great need of new members!!** We are always happy to welcome anyone who would like to join us! We are always happy to welcome new singers to our group!! If you would like to sing for God and can carry a tune, just come to a rehearsal.

The summer Mass choir music will (as usual) include several lighter contemporary Gospel anthems and some choir favorites that we've previously performed.

As we **look ahead** to **September** and **things** are **slowly returning to normal**, please **keep** the **following dates** in **mind**:
