## NEW YEAR 2022

january

**"Start the New Year RIGHT"** The year 2022 is with us and it gives us another chance to mend our spiritual neglects and ways.

Your attendance for church services and presence at parish functions plays a very vital role whether you think it or not.

What has happened in the 2021 year as far as our mediocre church attendance is now behind us and we have to look forward to the new year and beyond.

I, along with many other pastors, have shared the same concerns about people's philosophy of attending church. It is ironic that for the most part people seem to cooperate overwhelmingly with the fund raisers, for the parish but when it comes to church attendance there is a void of responsibility.

There is a nucleus of faithful members who are in attendance for Sunday mass, and many would like to be there more often but due to medical limitations or work obligations are not able to do so.

*Many of you might get a little tired of hearing this from me in the newsletter or at society meetings, but this is something that is very important for our survival as a parish family and keeping our parish functioning.*

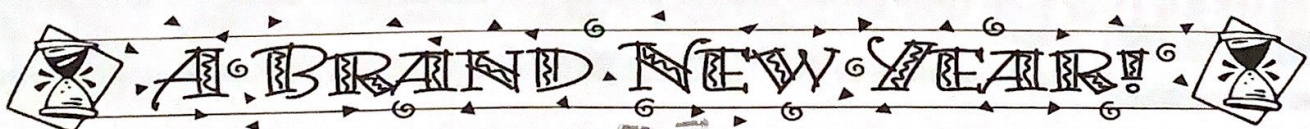

The year 2022 can be a new start for many to get back in the proper mode of attending again. It is never too late to start.

Be sincere in your efforts on Sunday mornings and Holy Days. Your part is a very big and important part in inspiring others - you must lead by example for your family, relatives, teenagers and children.

Those of you who would like to serve on the parish council are asked to contact Fr. Ruda at 797-4394. We need some directors and another auditor. *No one will be asked to serve. You must come forward on your own.*

## 2022 CHURCH OFFERING ENVELOPES

Most of you have received your 2022 offering envelope packet by now. Please do not use any left-over envelopes from 2021 or previous years because many envelope assignment numbers change from year to year.

To review our parish offering envelope format - Current Expenses: Day to day operation expenses, insurance, utilities, salaries etc. Parish Center Expenses: Goes exclusively to pay utilities, insurance, plus upkeep of the parish family center. Mission Fund: Helps with the mission work of the National Catholic Church and our mission endeavors on a local scene.

As I review the activities of our parish life for the 2021 year, it was a year of strange happenings and experiences.

Our growth factor in 2021 was non-existent and our attendance for masses and services was affected by the pandemic. There were a few maintenance projects done around the parish complex, major and minor. There are many upkeep projects on the work docket for 2022.

Now as our parish goes into 2022, with a nucleus of dedicated and God-loving people who will be dealing with the unknown fall out of the pandemic positive and good things will hopefully be our priority. The parish will need your continued support and cooperation as members of the parish family. Let us all pray that God will continue to bless and approve our endeavors as we travel into this new year, and may God bless all of you with health to do the work that stands before us.

On Sunday, January 2, prior to the start of the 9:00 a.m. mass, the symbolic Epiphany gifts will be blessed and will be available to you.

The blessing of the chalk, charcoal and incense have the special meaning of the gifts brought by the three Kings of the East as they visited the baby Jesus at his birth.
