## FATHER'S DAY 2023

On the **third Sunday of June**, we observe **Father's Day**. **Father** is a name every **earthly father** has in **common** with **God the Father**. To our Heavenly Father all mankind is one large family. **St. Paul** tells us in his lesson that all Fatherhood in heaven and on earth receives its **name and dignity from the Father of our Lord Jesus Christ**.

**Respect for fatherhood** is founded in nature. The **fourth Commandment** is really a **positive expression** of a law already **written** in the **heart of man**.

The **Church of Christ** has **glorified** the **name** of "**Father**" in **applying** this **revered title** as a **special mark of distinction**. The **teachers and writers** of the **Church** in her **early days** have been **termed** by her "**The Apostolic Fathers**."

The **priests of the Church** are recognized as the **spiritual fathers** of their people, and the whole world respectfully addresses them by the title "**Father**".

Since **fathers reflect the dignity and authority of God** in their **home**, they must **realize** at **all times** that this **personal prerogative** was not **given** them for their **own enhancement and advantage**, but was **bestowed upon** them for the **good of the family**. Is it right for a father to be away from his home without good reason? Is it right for fathers to miss mass on **Sundays** with their families?

May **God** be **praised and blessed eternally** for the countless numbers of men who are **dedicated and loyal husbands and loving fathers**.

Fathers, live up to your sacred calling. Bring up for God, the Church and Community and our Nation, a dedicated generation of young and ambitious people. Husbands, love your wives as Christ loves the Church.

Fathers, make every sacrifice necessary to earn for yourself reverence and respect, and from God, His blessing.

To the fathers of our Holy Church: **A HEARTY GOD BLESS YOU!**

NOAH'S ARK

## LESSONS LEARNED FROM NOAH'S ARK

1. Don't miss the boat.
2. Remember we're all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the ark.
4. Stay fit. When you're 600 years old, someone might ask you to do something big.
5. Don't listen to critics; just get on with the job that needs to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs.
8. Speed isn't always an advantage. The snails were on board with the cheetahs.
9. When you're stressed, float awhile.

## **This is my Father's World**

Maltbie Babcock - 1858-1901

"I'm going out to see my Father's world," said Rev. Maltbie Babcock. It's a statement he said often as he went out for his regular morning walk to the top of a hill in Lockport, NY. From this hilltop spot he had a full view of Lake Ontario and the surrounding countryside.

Babcock was born in 1858 in Syracuse, NY. Not only did he love God's creation, but he also loved sports.

*This is my Father's world, And to my list'ning ears*

*All Nature sings, and round me rings, The music of the spheres.*

*This is my Father's world, I rest me in the thought*

*Of rocks and trees, of skies and seas - His hand the wonders wrought.*

**What do you do with your empty ink or toner cartridges from your computer printer, copy machine or fax machine??** Tired of mailing them back to the factory for recycling and getting nothing in exchange?

Our **parish** has **been collecting** these **empty cartridges** from all **printers** and **copy machines**. They will be **turned in** for **Staples store credit** for the parish. In **return**, it will **save** on our **office** and **paper supply purchases**.

**Bring** them to the **parish office** in a **plastic bag** and we will be **glad** to **recycle** these **items** for you. **Thank you** to those of you who have been **helping the parish** with your **used ink and toner cartridges**. Recently, we **saved \$100.00** from our **toner bill** through these **returned recycled cartridges**.

\*\*\*\*\*

## **Financial NOTES**

As we begin **June 2023**, the **parish council** would like to **remind** you about your **2023 parish membership**: **Membership for 2023 will be \$175. 00 and \$100.00 for a single unit.** *These **obligations** may be taken care of on **Sundays** in the **parish office**. They may also be **paid in installments** from **now** to the **end of the year**. **If you are unable to fulfill your 2023 parish membership obligations because of financial difficulties**, please **contact Fr. Ruda**. This will be kept confidential.*

## **KEEP THE FAITH**

**Keeping the faith adds healthy years.** In **stressful times**, regularly **celebrating your faith** can be a **lifeline**, Harvard researchers report. Analyzing **66,492 subjects**, **investigators** found that those who **gathered for religious services** at least **once a week** had up to a **68% lower risk of death** during the study period. **Celebrating faith** with **others**, even if that means **attending services virtually** and using **chat feature** during the **online coffee hour** afterward, provides **social support** that can **help people through tough times**.

It also **strengthens one's ability to cope** with a **crisis** by **fostering a sense of peace** and a **positive outlook**.
