## **FATHER'S RESPONSIBILITIES**

As we look at the problems of the generation of young people these days, there are many questions being asked as to why these things are happening. Many scholars attribute these problems to the breakdown of the family unit as we once knew it. The divorce rate is very high. In some families children and teenagers are being raised by a single parent. In others there may be a parent and companion, while in others, where there may be both parents, there may be financial, employment or other kinds of problems. What kind of home lives are children and teenagers being exposed to? What are the values that are being fostered?

On this **Father's Day 2015**, there are questions that are raised.

**"What is the duty of the father in the Christian Family?"** One of the beautiful characteristics of the Jewish religion is that the rituals and services that are celebrated in the home on various holy days require the members of the family to participate in the home worship service. The sacred event is brought into the home, and in this ritual, the children experience their faith in action among the family members.

**Parents, teach your children by example!** Attend

mass together as a family unit, on a regular basis. Nothing is more counterproductive in raising children and teenagers in the church as when one parent goes to church on Sunday and the other stays home. What kind of message is being sent when this happens?

Fathers, as we approach **Father's Day on June 21, 2015, please set aside some time to ascertain the kind of Church member you are. Is the church a priority and necessity for you and your family? Do you hold the Ten Commandments high in your standards for yourself and family?** How would you judge the example that you are setting for your children? **Good, could be better, bad?**

**May you have a most happy Father's Day, and may your children love you always, as Jesus loved His Father in heaven.**

## From the Editor

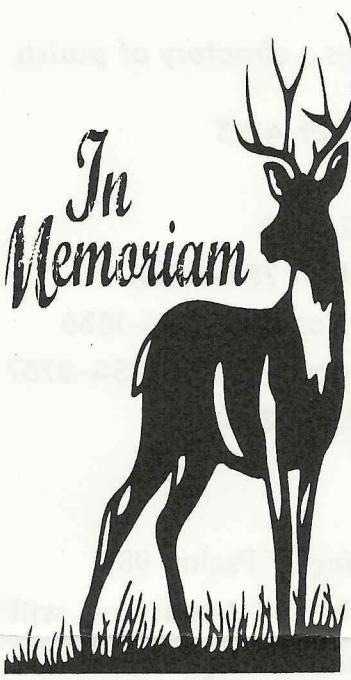

TO SEE YOU IN CHURCH!!

Our parish family lost a "**parish benefactor**" with the passing of **Anthony Sobiech Jr.**, retired proprietor of Red's Kettle Inn in Johnson City. Tony was always **willing and ready** to help our parish whenever the need arose with **dinner/pizza gift certificates, Lenten Dinners, kitchen utensils/steam tables, paper supplies etc.** In our hey day when having our parish community picnics in July and if Tony was going on vacation with the family at the cabin and the parish needed kitchen items before he left **he would give me the key to the restaurant** and say "**help yourself**" and "**don't forget to lock up!**" The business will continue to run with his wife Jan and son and daughter in law Tony III and Lorraine carrying on the tradition.

A **mass in his memory** will be celebrated at All Saints on **Sunday, July 26 at 9:00 a.m.** - Fr. Ruda

### LESSONS LEARNED FROM NOAH'S ARK

NOAH'S ARK

1. Don't miss the boat.
2. Remember we're all in the same boat.
3. Plan ahead. It was raining when Noah built the ark.
4. Stay fit. When you're 600-years old, someone might ask you to do something big.
5. Don't listen to critics; just get on with the job that needs to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs.
8. Speed isn't always an advantage. The snails were on board with the cheetahs.
9. When you're stressed, float awhile

## This is my Father's World

Maltbie Babcock - 1858-1901

"I'm going out to see my Father's world," said Rev. Maltbie Babcock. It's a statement he said often as he went out for his regular morning walk to the top of a hill in Lockport, NY. From this hilltop spot he had a full view of Lake Ontario and the surrounding countryside.

## Hymn of the Month

Babcock was born in 1858 in Syracuse, NY. Not only did he love God's creation, but he also loved sports.

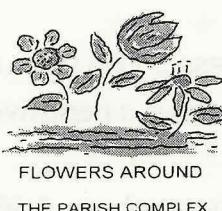

A belated congratulations to those who were the lucky winners of this year's

**Lenten Dinner Give Away** donated by **Red's Kettle Inn.**
